### **LIST OF POTENTIAL COMMUNITY PARTNERS**

On February 8<sup>th</sup>, 2017, the City and County of San Francisco (“City”) issued a request for proposal to interested parties (“Respondents”) for the potential sale of real property located at 1300-1330 Fillmore Street (“Property”) in San Francisco.

In January 2016, the City issued a Request for Information in order to gather additional input on the desired uses and community benefits for the Fillmore Heritage Center, as well as to document interest from both prospective buyers and community partners – i.e. those small businesses, nonprofit organizations or individuals who may not themselves have the capital to purchase and operate the Property, but would like to make themselves available to participate on teams.

Some submitters asked us to share contact information only, and some asked that we make their entire proposal available. All of this information is currently available at:
