

Which agreements are in which instance of TGS

TGS-EWD
Billing for all WIA funded agreements
Billing for all agreements where participant/client information is being tracked in Workforce Central
Billing for all CityBuild agreements (Academy and others including the SFUSD program from RFP 115)

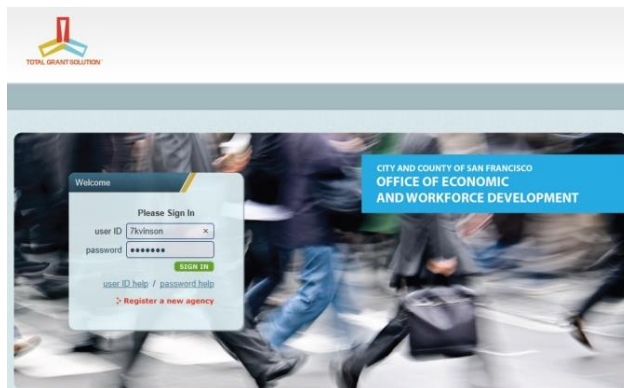

Rule of thumb: if your client information is being tracked in Workforce Central, your billing information should be entered into TGS-EWD

What link do I use?

<https://totalgrantsolution.org/tgsewd/MasterLogon/>

How do I tell the difference?

- 1) The URL says "TGSEWD" in the middle of it which stands for TGS **E**conomic and **W**orkforce **D**evelopment
- 2) The picture on the home page

TGS-SFO
Billing for all CDBG agreements
Participant/client information for all CDBG agreements
Billing and participant tracking for agreements from RFP 115 (ABE/Voc Skills and IPO Basic Skills programs)
Billing and participant tracking for selected other general fund only agreements.

Rule of thumb: if your client information is being entered into TGS, then your billing information should be entered into the same instance of TGS (TGS-SFO)

What link do I use?

How do I tell the difference?

- 1) The URL says "TGSSFO" in the middle of it. This is the original version of TGS built for San Francisco (SFO). This is also the version that they Mayor's Office of Housing/Community Development uses.
