March 2018 Events Description:

Mission Neighborhood Access Point (MNAP) - 2301 Mission Street, Suite 301, San Francisco, CA 94110 | (415) 282-3334

Learn more about MEDA's training programs and register for upcoming courses - Visit www.medasf.org/programs/workforce-development-program

Mission Techies Programming:

This is a 16-week program in which participants learn a wide array of IT programming skills. Participants will have the opportunity to do various projects to put into practice learned skills. Participants will also receive employment services.

Mission Techies Hardware:

This is a 16-week program in which participants learn a wide array of IT hardware skills. Participants will have the opportunity to do various projects to put into practice learned skills. Participants will also receive employment services.

Five Keys Charter School:

Five Keys Charter School offers classes taught in Spanish for the General Equivalency Diploma (GED), English as a Second Language (ESL), and Basic Computer Skills.

MEDA Welcome Orientation:

The MEDA Welcome Orientation serves as the Mission Neighborhood Access Point orientation offered in English and Spanish. This weekly orientation introduces the community to all the services that are offered at MEDA. After completing the orientation, participants will have a one-on-one meeting set with appropriate staff participants depending on need.

MEDA Administration Specialist Program:

This 6-week training will prepare participants to enter the administration work field. Participants will receive training on Microsoft Office, Salesforce CRM and job readiness skills. Participants will also receive employment services.
