The Citizen's Committee on Community Development (CCCD), Mayor's Office of Housing and Community Development (MOHCD) and Office of Economic and Workforce Development (OEWD) invite interested parties to attend one of two public hearings to provide feedback on the Draft 2015-2019 Consolidated Plan, which includes proposed goals, strategies, objectives and activities for MOHCD and OEWD.

The Consolidated Plan is a five-year strategic plan that serves as a planning document for San Francisco's community development and affordable housing activities. The Consolidated Plan also serves as an application for federal funds under the following U.S. Department of Housing and Urban Development (HUD) formula grant programs: Community Development Block Grant (CDBG); Emergency Solutions Grant (ESG); HOME Investment Partnerships (HOME); and Housing Opportunities or Persons With AIDS (HOPWA). The City and County of San Francisco anticipates receiving approximately \$16,600,000 in CDBG, \$1,300,000 in ESG and \$4,200,000 in HOME funds from HUD each year. In addition, the City expects to receive approximately \$8,200,000 in HOPWA funding for the Counties of San Francisco and San Mateo each year. Please note that the goals, strategies, objectives and activities that are included in the Consolidated Plan will be used to make funding decisions under these four federal programs as well as used or considered in making funding decisions under other funding sources administered by MOHCD and OEWD such as General Fund.

The Draft 2015-2019 Consolidated Plan will be available for public review and comment from October 6, 2014 through November 4, 2014. The draft document will be available in electronic format on the MOHCD and OEWD websites at [www.sfmohcd.org](http://www.sfmohcd.org) and [www.oewd.org](http://www.oewd.org), and in print format at the following locations:
