<u>Date Received</u>	<u>Name</u>	<u>Organization</u>	<u>Question:</u>	<u>Response:</u>	<u>Program Area(s)</u>	<u>Response Date</u>
2/13/2018	John Fong	Chinese for Affirmative Action	We recently brought on a Co-Executive Director to join the existing Executive Director in co-leading the organization. We believe with one-on-one coaching, one-on-two facilitated coordinating, and board development in working with co-Executive Directors, the new structure will lead to improved organizational performance. Would our organization be eligible in applying?	The organization would be eligible to apply for consulting fees but salary differential expenses incurred by adding an additional co-CEO, interim or otherwise, would not be eligible. The review panel will use the application content to determine how the proposed project meets the goals and priorities.	Nonprofit Resiliency Fund	2/22/2018
