12/9/2021	Alison Chan	Self Help for the Elderly	<b>Is there any existing grantee for Program Area U &amp; V?</b>	U (Richmond Commercial Corridors Economic Vitality) & V (Sunset Commercial Corridors Economic Vitality)	Yes, so we do currently have some partners for these areas, but the funding through this RFP is new funding and we are seeking additional partners to support this work.
12/9/2021	Desi Danganan	Kultivate Labs	<b>There are several activities listed in the grant such as Partnerships, Biz Outreach, Attraction, and Referrals, Grants, and Programming &amp; Marketing. Which is more important to OEWD?</b>	W - Tenderloin and Mid-Market Economic Vitality Services	We want to see proposals that leverage the work already happening in the community. That is why we include a suite of services, so that it can be tailored based on what's needed, and what's available with regard to needs identified by existing partners on the ground. Proposals do not need to address all possible activities.
12/9/2021	Desi Danganan	Kultivate Labs	<b>Does the campaign have to encompass both TL and Mid-Market-or can it just be one area?</b>	X - Tenderloin and Mid-Market Marketing Campaign	We'd like to see both areas highlighted. The intent of the program area is to attract people to the area, who can visit the small businesses in and around the surrounding neighborhoods. Part of it could be one neighborhood-specific campaign, but a key goal is that people are coming to dine and shop in the general area.
