Applicants must further register on SF Jobs Portal at www.jobsportal.sfgov.org and follow the instructions provided. For assistance, contact First Source Program staff (listed below).

Applicants must also enter into a First Source Hiring Agreement before they can be deemed eligible to apply for the exclusion. Applicants must contact First Source Program staff (listed below) to discuss this eligibility requirement.

Renewal applicants must resubmit the Non-Construction First Source Employer's Projection of Entry Level Positions form on or before December 31st of every year after the year the business is first deemed eligible to apply for the exclusion.

STEP 3 Review and Determination

If an applicant is deemed eligible to apply for the Central Market Street and Tenderloin Payroll Expense Tax Exclusion, OEWD will notify the Office of the Treasurer & Tax Collector of the name of the business and notify the applicant by letter.

Please note, applicants indicating an annual San Francisco payroll expense of over \$1 million must complete a Community Benefit Agreement (CBA) with the City Administrator's Office (CAO) before they can be deemed eligible to apply for the exclusion. You must contact CAO staff (listed below) immediately to discuss this eligibility requirement. Applicants that are required to enter into a CBA will only be issued a Letter of Eligibility to apply for the exclusion after the successful completion of a CBA with the City Administrator's Office.

STEP 4 Payroll Expense Tax Return

The business must timely file an annual Payroll Expense Tax return with the Tax Collector regardless of the amount of tax liability shown on the return after claiming the exclusion provided for in this program.

Please note that pursuant to Section 906.3(a) of the Business and Tax Regulations Code, only payroll expense attributable to a fixed place of business within the Central Market Street and Tenderloin Area may be eligible for an exclusion from the Payroll Expense Tax.

STEP 5 Declaration in Support

File a Declaration in Support of the Central Market Street and Tenderloin Area Payroll Expense Tax Exclusion with the Office of the Treasurer & Tax Collector by the later of: (i) February 1 of the year following the year for which the exclusion is being claimed; and (ii) within 10 calendar days of receiving the Notice of Eligibility to apply for the exclusion from OEWD. If the tenth day lands on a weekend or holiday, it is extended to the next business day. A declaration form will be provided to you at the time the Letter of Eligibility to apply for the exclusion is issued. This form is also available online at: <http://sftreasurer.org/business-form-central>.

STEP 6 Confirmation of Filing

Confirmation will be sent if an applicant's exclusion is accepted as part of the applicant's Payroll Expense Tax filing/payment to the Office of the Treasurer & Tax Collector. However, if the business is not listed by OEWD as deemed eligible to apply for the Central Market Street and Tenderloin Payroll Expense Tax Exclusion, or if the Tax Collector denies the exclusion, the business will receive a notice of deficiency from the Office of the Treasurer & Tax Collector.

Please note that pursuant to Section 906.3(e) of the Business and Tax Regulations Code, "The Tax Collector shall verify that any exclusion claimed pursuant to this Section [906.3] is appropriate."

STEP 7 Renewal

After the year the business is first deemed eligible to apply for the exclusion, there are four documents required annually for a renewal:

1. The business must file an annual "Affidavit for Renewal of the Central Market Street and Tenderloin Area Payroll Expense Tax Exclusion" (third document to follow these instructions) with both the Office of the Treasurer & Tax Collector and OEWD affirming that the business continues to meet the eligibility criteria on or before December 31 of every year after the year the business is first deemed eligible to apply for the exclusion.
2. The business must also file with OEWD the "Non-Construction First Source Employer's Projection of Entry Level Positions" form on or before December 31 of every year after the year the business is first deemed eligible to apply for the exclusion.
3. If a business is required to enter into a CBA with the City Administrator's Office, the Agreement covering the next calendar year must be executed with the City Administrator's Office on or before December 31 of every year after the year the business is first deemed eligible to apply for the exclusion.
4. The business must file a Declaration in Support of the Central Market Street and Tenderloin Area Payroll Expense Tax Exclusion with the Office of the Treasurer & Tax Collector by the later of: (i) February 1 of the year following the year for which the exclusion is being claimed; and (ii) within 10 calendar days of receiving the Notice of Eligibility to apply for the exclusion from OEWD.

Businesses are allowed to claim the exclusion for a maximum of six years from the later of May 20, 2011 or the date they commenced business in the Central Market Street and Tenderloin Area, and may not claim the exclusion past tax year 2019.

For taxpayers with an annual San Francisco payroll expense of \$1 million or less, a renewal confirmation letter will be issued after receipt of a renewal affidavit and a Non-Construction First Source Employer's Projection of Entry Level Positions form.

What is the First Source Hiring Program?

The intent of First Source is to connect economically disadvantaged individuals participating in San Francisco's workforce development programs with entry level jobs that are generated by the City's investment in contracts or public works; by business activity that requires approval by the City's Planning Department or permits by the Department of Building Inspection; or by businesses seeking the Central Market Street and Tenderloin Area Payroll Expense Tax Exclusion.

How does First Source work?

- In order to be deemed eligible to apply for the Central Market Street and Tenderloin Area Payroll Expense Tax Exclusion, applicants must complete a First Source Hiring Agreement. A sample of the First Source Hiring Agreement can be found at: http://oewd.org/sites/default/files/FileCenter/Documents/331-Workforce%20Development%20First%20Source%20Agreement_2014.pdf
- Applicants are required to post their entry level positions with First Source and offer the City the first opportunity to refer qualified candidates to those positions. Entry level positions are defined as those non-managerial positions in the Central Market Street and Tenderloin Area that require no education above a high school diploma (or equivalency) OR less than 2 years of specific training or work experience.
- While the ordinance does not require an employer to hire a specific candidate, it does require that employers make a good faith effort to hire referrals from the City's workforce development system.

How to contact First Source?

You can contact First Source Program staff by calling (415) 701-4857.
