Who are we?

Our **mission** is to support social equality and economic justice by empowering historically disenfranchised communities throughout San Francisco.

We provide **community outreach services** to underserved neighborhoods engaging residents in our **career development services**.

Sewer System Improvement Program

Through the Sewer System Improvement Program (SSIP), the SFPUC will upgrade aging infrastructure and ensure the reliability and performance of our sewer system, now and into the future. The SSIP will be implemented in three phases over the next 20 years.

What do we do?

Our Services Include:

- Construction Trades Skills Training
- Pre-Apprenticeship Opportunities
- Career Planning and Development
