

Mission Language and Vocational School

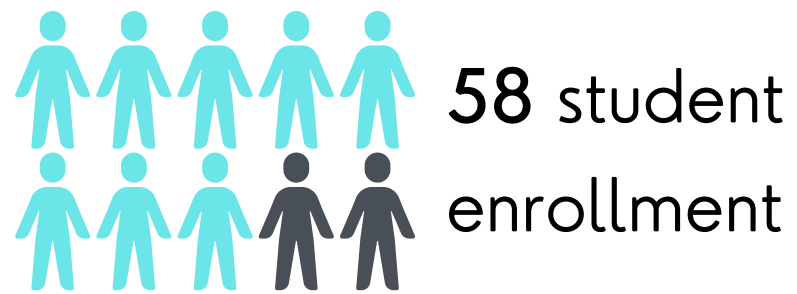

MISSION STATEMENT

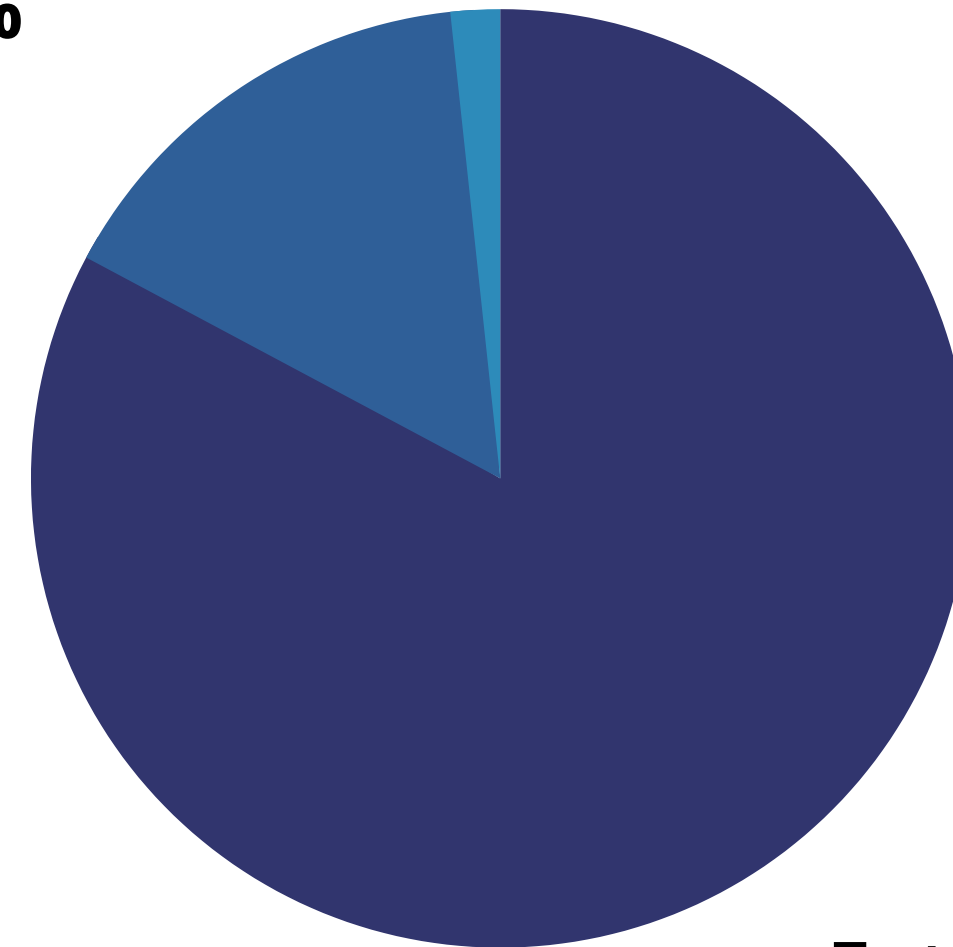

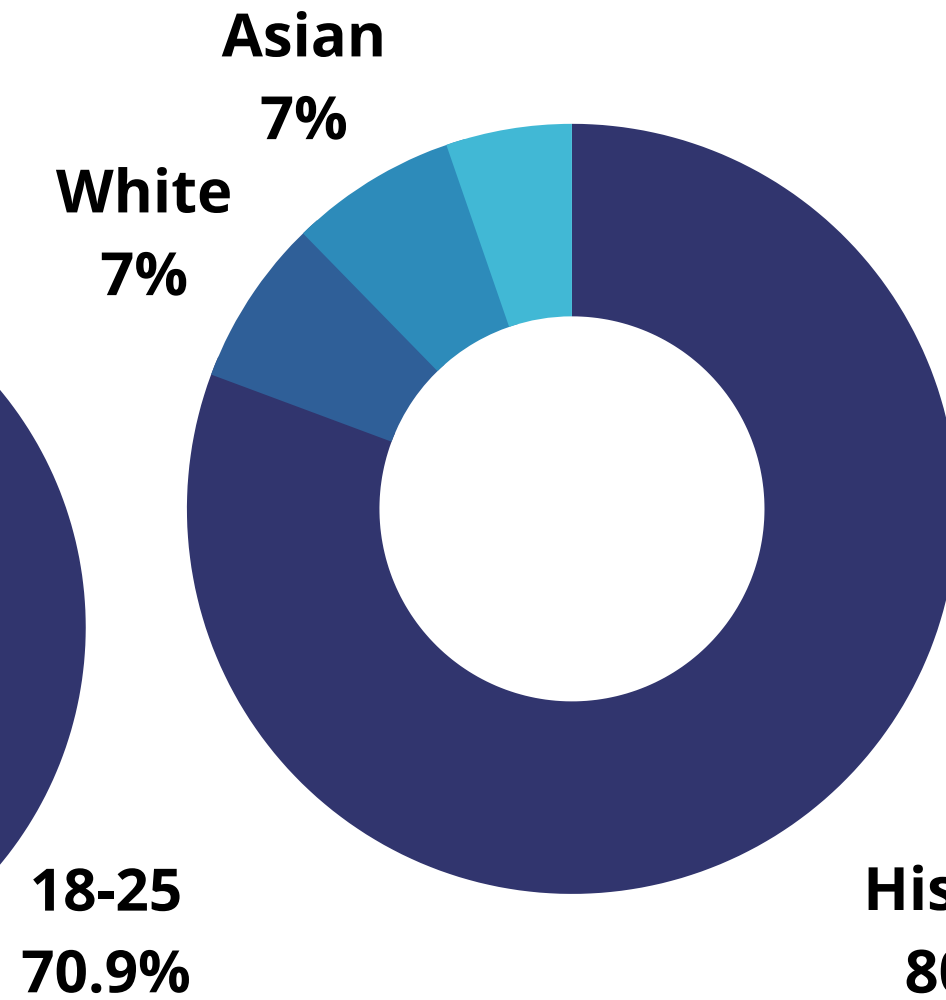

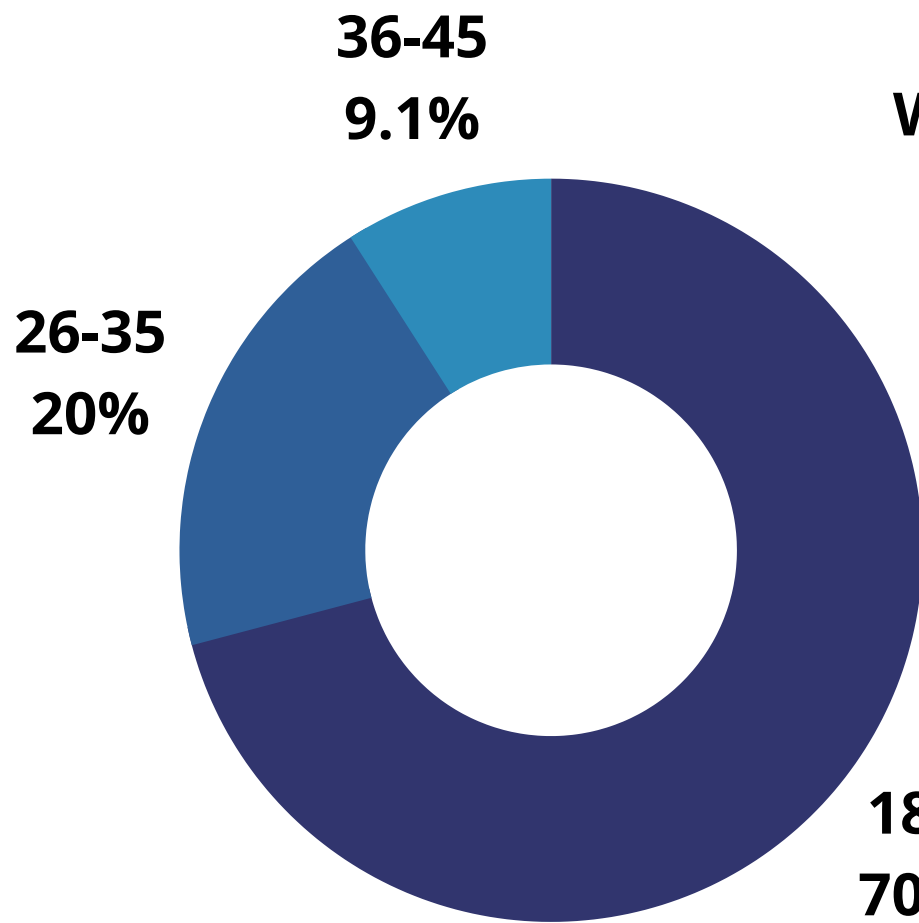

Mission Language and Vocational School (MLVS) has been in continuous operation for the past 50 + years. The 35,072-sqaure-foot building today houses over 10+ classrooms, a testing unit, administrative office, a language lab/media center, fully equipped computer and office simulation classrooms, a multi-purpose student center, the Florida Street catering services, and The San Francisco Latino Task Force Mission HUBs - health, education, resources and food distribution.

We are a recognized leader and innovator in the field of vocational medical assistant certification, culinary skills certification and expert in job-skills training.
