Create and Approve 2011 WiCAC Meeting Schedule (Action Item)

Cameron McHenry proposed that the WiCAC meet every other month for a total of six (6) meetings per year with four (4) Quarterly meetings to be held at 50 Van Ness and staffed by OEWD and all other meetings to be staffed by the WiCAC. Ms. McHenry suggested that the WiCAC staffed meetings be population/community focused meetings whereas the four (4) OEWD staffed meetings be used to plan and prepare for the WiCAC report-out to the WISF meeting.

On motion by Krystal Koop, seconded by Ciara Wade, the WiCAC unanimously approved the 2011 meeting calendar as follows:

- June 22, 2011—Homeless Population Focused
- August 17, 2011—OEWD Staffed Meeting
- September 28, 2011—Monolingual Population Focused
- November 17, 2011—OEWD Staffed Meeting

The time and location of the two community meetings are still to be determined.

Sheryl Davis requested that future agendas address what jobs actually exist, their relevancy to the jobs that are available in the communities and the training programs that are available.

Planning for Homeless – Focused WiCAC Meeting (Discussion Item)

The June 22, 2011 WiCAC meeting will focus on the Homeless population; which is a target population that was called out in the Ordinance passed by the Board of Supervisors that created the WiCAC Board. The meeting format will be similar to the other two (2) Community meetings that have been hosted by the WiCAC; 2 hours in length with small break out sessions. Expected attendance is between 70-100 people.

Phil Clark, appointed by the Local Homeless Coordinating Board, will facilitate the June 22nd meeting and is working with the Local Homeless Coordinating Board for space and planning.

Discussion followed.

Follow-Up and Feedback on OEWD Workforce Forum

Mr. Phil Clark commented that he left the Workforce Forum knowing more about capacity building and impact driven outcomes as an administrator of his program. However, he did not feel that the workshops were helpful for front line program staff. Ms. Cameron McHenry echoed that statement as she felt that as a manager she was able to get a lot out of the forum. Ms. Ciara Wade commented that the employer workshop could have focused more on what Workforce Specialists/Directors of programs need to hear from Employers.

Discussion followed.

Public Comment

David Bach:
- Mr. Bach commented on the expected attendance of the June 22nd WiCAC meeting.
- Mr. Bach commented that he felt the Workforce Forum was fabulous. He requested that future consideration be given for more access to learning opportunities, knowledge of city services available and technical assistance.

Jennifer Scaife:
- Ms. Scaife commented that the Homeless focus WiCAC meeting be held in the Public Library as they have experience in dealing with the community.

Conclusion

On motion by Cameron McHenry, seconded by Krystal Koop, and carried by all, the meeting was adjourned at 11:22am.
