Learn more about MEDA's training programs and register for upcoming courses - Visit www.medasf.org/programs/workforce-development-program

Mission Techies Programming:

This is a 16-week program in which participants learn a wide array of IT programming skills. Participants will have the opportunity to do various projects to put into practice learned skills. Participants will also receive employment services. Next cohort begins on September 4th.

Mission Techies IT Support:

This is a 16-week program in which participants learn a wide array of IT hardware skills. Participants will have the opportunity to do various projects to put into practice learned skills. Participants will also receive employment services.

Digital Opportunity Center:

MEDA's Digital Opportunity Center provides a free drop-in computer lab to apply for job placement and career advancement opportunities. The Digital Opportunity Center is a San Francisco CERTIPORT Microsoft Office Specialist Testing Center, offering Word, Excel, and PowerPoint 2016 Specialist Exams.

MEDA Welcome Orientation:

The MEDA Welcome Orientation serves as the Mission Neighborhood Access Point orientation offered in English and Spanish. This weekly orientation introduces the community to all the services that are offered at MEDA. After completing the orientation, participants will have a one-on-one meeting set with appropriate staff participants depending on need.

Mission Admins:

This 6-week professional administration training will prepare participants to enter the administration work field. Participants will receive training on Microsoft Office, Salesforce CRM and job readiness skills. Participants will also receive employment services. Next cohort begins on August 6th.

Hiring Event: Manpower Government Solutions

MEDA will host Manpower Government Solutions to conduct on-site interviews in a variety of entry-level positions. Candidates from a variety of circumstances are encouraged to attend as there are no formal language or background requirements.
