PLEASE CALL TO RESERVE YOUR SPACE AT WORKSHOPS & TRAININGS

EVENT DESCRIPTIONS

Access Point Orientation (English/Chinese/Spanish):

Clients who are new to the Access Point participate in a group orientation in their native language. Learn about services at the Visitacion Valley Neighborhood Access Point as well as other programs/referrals offered to the public.

- Access Point Orientations are available on an individual basis every day during operating hours.

Clean Slate Program:

The Clean Slate Program was created to assist those who have been convicted of any crimes and dismiss convictions. Clean Slate is a program of the San Francisco Public Defender's Office.

Hospitality Orientation:

Hospitality Initiative provides information and training in the hotel, restaurant, cruise line and convention industries.

Interview Skills Workshop:

Learn the concepts and strategies of preparing for a job interview and you'll learn how to organize your thoughts, present yourself as a strong candidate, soften negative events in your work history, and answer difficult questions.

Job Search Skills Workshop:

Learn what it takes to job search successfully and effectively by conducting targeted job search in growing industries.

Resume Writing and Cover Letter Workshop:

Learn the mechanics of resume and cover letter writing and let us help you identify what to include on your resume, also how to make it stand out.

Workforce Investment Act (WIA) Orientation:

How the Workforce Investment Act can assist low-income, dislocated and unemployed workers with training and jobs services.
