Services

1:1 Employment Services

(By Appointment)

Services include career exploration, resume modification, LinkedIn assistance, training on job search methods, interview preparation, and support with job applications. Appointments conducted in person and virtually.

Drop-In Job Club

(Every Thursday, 12pm-2pm)

Our Employment Services Specialists and volunteers who work professionally in hiring and recruiting provide focused support over Zoom. Job-seekers are encouraged to bring a copy of their resume, or even a copy of the job description they are planning to apply to.

Employer Spotlights

(Returning in June)

We invite our employer partners to introduce their organizations and open positions to our community members. Folks are then given the opportunity to network with each other and connect with employers that align with their career goals. We will resume holding virtual spotlights in June. Details coming soon.

Career Connections Newsletter

Geared towards LGBTQ+ job seekers, stay up to date on upcoming virtual and in-person services and events designed to support job search efforts, skill development, and provide networking opportunities with potential employers.

Target Population(s)

We serve job seekers at every intersection of San Francisco's LGBTQ+ community, with a particular emphasis on supporting the most vulnerable members of our community, including trans and non-binary people, people of color, people with disabilities, and people who are marginally housed or unhoused.

Our Employment Services Specialists are specially trained to provide a wide range of services to our trans, non-binary, and gender-expansive community members, including: job referrals and career coaching; navigating being out at work or transitioning on the job; resume review and managing references; hiring and community events; and legal services.
